

CWEA P3S meeting 9/5/19 – Hayward

Attendees:

On phone: Shannon Simmers, Steve Sealy, Alice, Bryce, Abi

In Room: River City Joe, Susan Hiestand, Jonathon Powell, Jennifer Peet, Peter Fong, Alina Constantinescu, American Canyon and San Jose - see attendance list

P3S Conference Update:

Social event on Sunday 1/26 – Shannon is planning a beach cleanup with Surfrider followed by a social gathering at a restaurant.

Content is coming together for the conference, January 27-29. Environmental crimes workshop, led by OC investigator's office, ECI test prep and train the trainer workshop, Tour of LACSD Advanced Water treatment facility, EPA program updates, sessions on cannabis, PFAS, POC's/emerging contaminants.

Conference theme: "Embrace the future, ride the wave of change"

CWEA Annual Conference 2020 will be held in Reno, March 31 – April 3.

Website and liaison report: no updates

Tool belt training update: October will be in Southern CA, location tbd. December will be in Vallejo or the Central Valley

P3S grants: we have \$5,000 available to cities and other grantees to do outreach and other seed projects.

Facility of the Year: No nominations so far, but Casey and Steve have some companies in mind for awards. Please submit your award nominees. Companies can be nominated if they have improved significantly or if they are doing a good job at pretreatment. We are supplying incentives for people to nominate companies in their service areas this year.

ECI Trainer update: Trainers will be provided with training on poor performing KSAs using the blueprint to point trainees where to look for reference material for those KSAs. This is available to all 4 levels of exam.

No new business, meeting adjourned.
